Be Right (Romans): How To Be Right With God, Yourself, And Others (The BE Series Commentary)

Synopsis

Every Christian desires to "be right" about their faith. How we live out our faith holds eternal significance. But in order to be right, we must know what, why, and how come we believe in Christ. It can be argued that no book of the Bible has had a greater effect on Christianity than the book of Romans. Martin Luther described it as "the most important piece in the New Testament," and wrote; "It is well worth a Christian's while not only to memorize it word for word but also to occupy himself with it daily, as though it were the daily bread of the soul." In this classic commentary by Dr. Warren Wiersbe, you can refresh your own understand of this seminal work, Paul's masterpiece letter to the church in Rome. Dr. Wiersbe's careful exposition of the text allows the truth to soak in to your heart and mind as you read and understand these essential truths of Scripture.

Warren Wiersbe is a wonderful Bible teacher & I have read his books on John & now Romans.

Excellent companion tool to help you understand the book of Romans. I have several of the "Be" Series books and they are all great. Was introduced to the series by my Pastor.

Great book by a great author.

Very good notes on the importance of Romans to the believer. The applications for believers today are very compelling and true.

Thank you.

Great insight and explanation. Very helpful for understanding difficult passages.

Very good commentary -- as always.

Wiersbe is great at making bible study more understandable. This was a great tool when I studied Romans. Helps to go deeper in the text and the era the epistle was written.
