Mark's Story:(Jesus Chronicles (Putnam))

Synopsis

Mark's Story opens on the evening of the last day of Jesus as man. The young Mark hears Jesus' prophecies of the events that are to come, and bears witness to some of the most pivotal events in human history, including Judas Iscariot's betrayal, Peter's denial of his Master, and Jesus' crucifixion and resurrection as the risen Lord. In the years after, following in the footsteps of his friend and mentor Peter, Mark becomes an ardent follower of Jesus and a devoted disciple of Christianity, spreading the Word beyond Jerusalem and into the world. Mark urges Peter to recount to him the stories of Jesus' life on Earth-His messages, His miracles, and His everlasting promises to His people-and compiles what becomes canonized as the Gospel of Mark. Mark chronicles the growth of the early Christian church, the struggles of Jesus' followers, and the persecution they endured from a hostile world. Mark's Story is a thrilling account that vividly depicts the last day before Jesus' crucifixion and the danger that early believers faced as they boldly proclaimed Jesus as Christ the Lord. Their bravery laid the foundation for the early church, and their fervent passion for the Word reverberates throughout the world today.

Dr. Tim LaHaye is a noted author, minister, and nationally recognized speaker on Bible prophecy. He is the founder and president of Tim LaHaye Ministries, and the cofounder of the Pre-Trib Research Center, established for the purpose of educating ministers about Bible prophecy. He holds a doctorate of ministry from Western Theological Seminary and a doctorate of literature from

Liberty University. A pastor for nearly forty years, LaHaye has written more than fifty nonfiction books and coauthored the Left Behind novels, the most successful Christian fiction venture in publishing history, with Jerry B. Jenkins. You can visit his website at timlahaye.com and leftbehind.com. Jerry B. Jenkins, the former vice president for publishing and currently a writer-at-large for the Moody Bible Institute of Chicago, is the author of more than 150 books, including the Left Behind series with Tim LaHaye. Dr. Jenkins's writing has appeared in Time, Reader's Digest, Parade, Guideposts, and dozens of Christian periodicals. Dr. Jenkins owns Jenkins Entertainment, a filmmaking company based in Los Angeles, as well as the Christian Writers Guild, which aims to train tomorrow's professional Christian writers and has nearly two thousand members worldwide. He is also a sought-after marriage and family speaker. You can visit his website at jerryjenkins.com.

Robertson Dean provides this creative account of the Gospel of Mark with a dynamic vocal range. He gives full attention to fictionalized details, such as Marks leadership of the church in Alexandria and his healing of an injured man. Even though the story doesn't adhere to the biblical accounts, Dean provides a seamless narration. With poignancy he captures the eager spirit of the young apostle who offers to document Jesus and the disciples travels if he can only go with them. Deans understated portrayal of his disappointment when he's told he must wait until he's older sounds genuine. Deans delivery of this fictionalized biblical narrative gives an authentic sense of the culture of that time. I enjoy Matthew and Luke cds from our library Mark was missing. I thought it gave me another way to hear the gospels. I thoroughly enjoyed. Will probably donate Mark to library for others to enjoy.

This was a hard book to put down. Really informative.

Wonderful story of one of the Gospel writers. The authors came the characters form and personality. The story I knew, but not with all the added informational tidbits that made it come alive to me. Everyone should read this book and then read Mark in the New Testament. I guarantee you will be more interested in what you are reading.

As a student and teacher of the Bible, I can truly say that this novel, along with "Luke's Story" and

"John's Story" provide an excellent context for the events and relationships surrounding the writing of the these three Gospels. I bought more copies of this book and have given them away to others who study the Bible and ask many questions about how the Gospels came to be written. I can hardly wait for "Matthew's Story".

I enjoyed.

What a wonderful book!!! It is based so closely to the gospel of Mark and the culture of those days, that it seems like it could be completely true, although I know that no one could quote the exact conversations and details such as are given. It did open my eyes to some of the verses in Mark that I had always skipped over. This is one of my favorite books. The book was used, but in great condition. It arrived within the estimated delivery date and was well packaged.

As most of Tim LaHaye and Jerry Jenkins' writings, "Mark's Story" is a great read. I have read the book and now enjoy listening to it on CD. A good thing to listen to on a trip or even during daily drives to and from work.

Highly recommend for anyone wanting to get deeper into the story of Mark. Many details I had never read before, excellent resource!
