Customer Reviews

I like this MP3 version of the Reina Valera 1960 Biblia. I was expecting CD format, but was pleased with the MP3. I bought it for my wife. She was a little disappointed in the reading, to monotone. The could use a little exclamation and emotion when reading the word of God.

I Love it... The only thing I don't like, is that if #1 Track are the Pslams, I can't to to the Pslams I would like to Listen to apart from the 150 it has. I have to Listen to the Whole Track #1 and Listen to them All... Then #2 are the Provers, and the same thing happens... and so on... etc...

My mother loves it. She listens to it all the time as she goes through her chemo therapy. Makes her faith stronger.

I really do not know what was wrong with it, it did not play on my stereo, so i went and bought another, nothing, and another, nothing, and at the third try, i quit, at least the one i got, did not work on 4 different platforms, i am grateful that you guys reimbursed me for the 22\$, so i guess you should contact the maker, so they make the item work, if they do, i would love to try again

Be SURE you notice that these are MP3 discs. We ordered as a gift and the recipients couldn't play them.

this product is just perfect. not dramatized or music. just the reader's voice. love it. i totally recomend it. mp3 only.

I CAN NOT HEAR THE CD OF THE BIBLE IN MY RADIO ONLY ON MY COMPUTER . CASE QUALITY IS NOT THE BEST.

I misunderstood that it is mp3 and it will not play on regular CD player besides that it's great! looking for one that will play on regular CD player.
