Southern Dessert Muffins & Quick Breads: Recipes For Breakfast, Brunch, Snacks & Dessert! (Southern Cooking Recipes Book 24)

Synopsis

When your morning sweet tooth is craving a doughnut or pastry, how about a slice of Strawberry Quick Bread dusted with powdered sugar. It will satisfy your sweet tooth with luscious strawberries. If you need a quick bread to entice your guest for brunch, then Glazed Orange Marmalade Bread is just the ticket. How about trying Chocolate Malt Muffins for dessert. Your chocolate craving will be satisfied and they are so easy to make! Muffins and quick breads are essential for brunch. I serve dessert muffins and quick breads with eggs, sausage, bacon or a quiche. Dessert muffins make an elegant presentation and a delectable end to a wonderful brunch. After dinner, my family always wants dessert. Instead of cakes and pies, try whipping up a dessert quick bread or muffin. It will also serve double duty for breakfast the next day. Dessert quick breads can be eaten by themselves, served up in a bread pudding or served with fruit or ice cream. Let your imagination be your guide. If you are looking for easy desserts, dessert quick breads and muffins are just the ticket.
