Customer Reviews

This was an outstanding story. Nic, a Marine colonel, is deployed to Afghanistan for a special assignment. When she is gravely injured by an explosion, her wife Claire comes to be with her. Can their marriage survive this when Nic pushes her away? This was a great story. The author obviously did a great deal of research for this one. Could feel the grit and heat of the desert as well as the warmth of the love the two main characters shared. Another winner from Isabella! I haven't read *Always Faithful* yet, so I can attest that this one stands on its own.

In the second book featuring Nic and Claire you will be in for a great read although a difficult read. I thought that Isabella did a great job with this book and the second book in my opinion is more touching than the first. It shows the true commitment and love that Nic and Claire have for each other and how they use that to get through some difficult times. This is a wonderful book and I loved reading it!

Fantastic book. A great followup for *Always Faithful*. I loved seeing how Nic and Claire continue to grow, and handle the challenges that life in the military throws at them. The author did her homework for this story and it shows.

Isabella continues to give her readers everything they could hope for- Two beautiful women (inside and out), great chemistry, outstanding research and a fantastic story. Nic and Claire have been through so much and to see their relationship grow and their love for each other tested has me rooting for their happily ever after. I look forward to reading about Nic and Claire and their continuing journey soon. Isabella has proven that with her growth in her writing she will continue to be a force in the writing industry.

What can I say? This is another brilliant and beautifully written story about some wonderful characters and their continuing life saga. Isabella is an incredibly talented writer of lesbian fiction. If anyone hasn't read her books, under either name, get them all now and give yourself a treat.

I enjoyed this book as much as the first one. I still love Claire and Nic, separately and together. Grace is still adorable. Jordan is still cool. The ending of this book was a satisfying one and made all

the twists that the reader and characters go through worth it. I would definitely recommend this series to anyone.

Love the stories of Nic and Claire. This one was more intense than the first. Nic is such a strong character. However I think Claire turned out to be the strongest of the two in this novel. Waiting in patiently for the next book

Awesome continuation of Nic and Claire's story. When war happens, love over comes injuries. This is a great book. I really love the relationship and devotion Nic and Claire have for each other. Can't wait for part 3. Awesome job Isabella. Looking for more of your work.
