Customer Reviews

Very informative but short. Just the way I like books like this.

I love being able to read about the places I will visit on my iPad. This book looks at 20 famous places in France such as Paris, Marseille, the French Riviera, and Avignon. These were the places that I plan to visit soon. The information is up to date. There is a page or two on each of the 20 area covered. I highly recommend this book for casual tourist who wants to know a little about the area being visited.
