great gift item

Easy and fun, just as I'd hoped

I enjoyed it greatly. I highly recommend.

They are easy, but not THAT easy for beginners.

I thought this was one puzzle per page; unfortunately it was multiple puzzles per page which made each puzzle super small and hard to do.

Great level for our year old.

I bought this for my mother and she loves it. She is 90 years old and wanted something fun and challenging to do while she watches TV.

Good buy
