Marci began her career by hand-painting floral designs on clothing and evolved to a completely new and different art style that became her Children of the Inner Light® characters: Mother, Daughter, Sister, Father, Son, Friend, and so on, until all the people and places in life were filled. Marci has a successful line of greeting cards and gift items, including calendars, bookmarks, prints, books, and more.

I have other books by this author and love them. This is just another one for me to treasure and share with my sister.!

Wonderful book to share fond feelings/memories with a sister!

I would recommend this book to anyone who wants to give something meaningful to their sister.!

read it before giving it to my sister. It is very inspirational and touching. My sister loves it.

I gave this to my older adult sister for Christmas, with notes and comments written in many pages, and copies of old family photos tucked in among the pages. She cried. Loved it.

perfect gift

Nice book.

This was a gift for my Maid of Honor, my sister, the morning of our wedding. Since I only have 1 sister, it was something that we could have between the 2 of us. It was cute and sentimental, without being overly cheesy. A good purchase.

Nice size book. I bought this and sent it to my sister and she called me crying to thank me for it. She loves it.
