Imaginez: Le FranÃ§ais Sans Frontiers/cours De Francais IntermÃ©diaire

Synopsis

Vista Higher Learning is proud to announce the publication of IMAGINEZ: Le franÃ§ais sans frontiers. This textbook program provides a smooth transition between first-year and second-year French texts. IMAGINEZ is designed to engage students actively as they build their language skills and broaden their understanding of the diverse cultures of the francophone world.

Best Sellers Rank: #165,318 in Books (See Top 100 in Books) #32 in Books > Teens > Education & Reference > Foreign Language Study > French #220 in Books > Textbooks > Humanities > Foreign Languages > French #1507 in Books > Reference > Dictionaries & Thesauruses > Foreign Language Dictionaries & Thesauruses

Customer Reviews

This is one of the best text books for intermediate college-aged students. Each chapter is so rich, it would really take you a month of daily classes to get through everything in the chapter. The videos that go along with it are...interesting...unique. I highly recommend this series.

Used for French class in college!

I purchased this book knowing that it would not be in mint condition. I was not expecting the cover to be almost completely separated from the book, though. It fell off on the first day. I don't really mind it, I'm planning to tape it on. The inside is fine, there are some notes scribbled in pen, but nothing that makes the book unreadable. Over-all, I'm content with it.

This book is in good condition. There are two problems that I had with it. The first was that I had no idea it comes with a workbook, if newly purchased. The second is that it comes with a code that

connects you to online activities associated with the book that helps you understand it more, also if newly purchased. This book was no use to me without those two things. Other than that, it shipped fast and the cost was great!

Book came in great condition. However, there something you need to be aware of when purchasing this book. There is an online access code that comes with the book which most instructors want. Apparently, it does not come when you purchase as a used copy. It can be purchased separately from the company, but it cost about \$40 additional dollars.

I had to buy two of these text books for my daughters. It comes with a workbook. Both of my girls are still very fluent in French, so I guess the book does what it needs to do.
