Fast-Pitch Softball: Girls Rocking It (Title IX Rocks!)

Synopsis

The first softball game was played in 1887, and while it didn't even include a ball, this sport has been gaining in popularity ever since. This instructive book teaches readers the basics of the fast-pitch game, including the differences between it and slow-pitch ball. Readers will learn all about rules, equipment, field positions, and more. Handy tips will help players play their best game. Featured players in fast-pitch offer insights for anyone, whether they just want to read about the game or are eager to get out on the field and into the game.

Book Information
