Synopsis

WELCOME BACK TO HOLLOW HILL The spellbinding continuation of the best-selling YA fantasy saga, *The Marked*. Discover why readers are calling this series completely engrossing and downright addicting! "Sizzling Tension and Surprises. The chemistry was spellbinding..." - Nicole A. Watson "Reading this series, you become part of their world; completely enthralled as if you're a character in the novel itself. It's simply amazing!" - Angela "Invidious is a great follow up to *Inception*, a must-read!" -Wendi L. Wilson, author of *The Shadowed Series* The steep descent into Hell is always paved with good intentions. My name is Jemma Blackburn and I'm a Slayer. Finding out I wasn't human was only the beginning of my problems. My best-friend, Taylor, is still missing, and so is the Immortal Amulet, and it's my job alone to get them both back. I don't know who I can trust, and I'm still not sure I'm cut out for any of this, but I'm determined to figure it all out, or die trying. As if that wasn't bad enough, there's a new enemy in town and they've come bearing gifts - an ancient prophesy that is going to blur the very lines between good and evil. And, apparently, my blood is tied to the center of it. I don't have all the answers yet, but I'm getting closer and closer to discovering the truth. The truth about my bloodlines, and about who I really am. And, believe me when I say, it's going to change everything. *INVIDIOUS* is the highly anticipated second installment in *The Marked* series, a fast-paced paranormal romance filled with betrayal, self-discovery, suspense, and a unique supernatural world that will leave you captivated and hungry for more. *Iniquitous* (*The Marked* Book 3) is now available!

Customer Reviews

Cliffhanger! Love this series it just keeps getting better. But really how long do I have to wait for book 3?! By the end of the first sentence the pages just disappear. Thank you for some excellent writing!

Seriously when will Jemma learn to ask for help. She is forever going off on her own and no one knows where she is which is so frustrating . If I had a big bad vampire after me I would have acted so differently. She is continually reckless and steamrolling her way over everyone's feelings. Trace is the long suffering boyfriend who loves despite how she is always keeping secrets and going out with other guys, Dominic the typical bad boy with a good heart (only for Jemma)and Nikki the bitch witch who we all love to hate. Dominic reminds of Damon out of Vampire Diaries only less interesting. There is no character development here as she repeats the same mistakes over and over again. This book had potential but Jemma made it far too easy for her enemies to find her. The big secret was revealed and I did have an inkling about what it was but I didn't anticipate the way the story ended. Hopefully the characters will show some depth in the third book as they are stuck being one dimensional so far.

I started this book yesterday and finished it today. Every moment left me wondering what would happen next, every chapter ending made me want to continue on to the next chapter. So many secrets and truths are told and the story continues to get better and better. Usually the second book is hard to get through and usually it's not as good as the first. Well, I do have to say it is just as good as the first, maybe even better. I am excited to continue on with the story especially since this book ended in a huge cliffhanger. The author does a very good job keeping me interested and making me think so much more about each character. I love her writing style because it keeps me interested and keeps me wanting more!

Still in love with Trace and Jemma's story and struggle to be together. Fate has a funny way of working against you. The author is a bit repetitive when speaking and describing the fog. I really believe that every single chapter began with something about the fog. I can see where maybe the author is trying to drive the point home regarding the surroundings, but it does get a little annoying. However, it most certainly did not deter me from the story nor will I not finish the series. This storyline is very addictive. Must know what happens!

I'm so in love with this book! Jemma is by far my favorite character. I'm on edge right now because I really want to know who took her! So glad she kept Dominic in the story but would love for them to not be together. I'm too in love with Trace and her being together forever!

I love Trace! He is definitely a dream. Nikki on the other hand, caster or not, I would beat that girl down! Off to book 3

Loved this book! Once I picked it up I could put it down. Gemma, Trace and Dominic have a great dynamic. I can not wait to re read before the 3rd book is released!

At the beginning of this I thought Trace was a Hans (evil guy from frozen) but thank god he wasn't!! Love magic beings and such!!!
