Customer Reviews

I'm loving this book. I will start making some of these homemade products as soon as I receive the items I need to make them. Can't wait to get started!

I liked this book. The only thing that I would of wanted was a timeline on how long some of the products you make last. Everything goes bad at some point and I just would like to know about how long things last without finding out the hard way haha. Other than that loved how this book wa set up. Easy to find what you wanted and easy to follow.

THis was perfect on teaching you how to make your own skin care for certain skin condition. Our daughter has Eczema and making stuff for her was so easy and detail. This has helped her out a lot. Thank you so much

Enjoying the idea to learn about healing tips for Eczema conditions for family member. Haven't fully read it all yet but pleased with my purchase.
