Nuestros Recursos Naturales (Our Natural Resources) (Spanish Version) (Social Studies Readers : Content And Literacy) (Spanish Edition)

Synopsis

We need natural resources to survive. Natural resources are things that nature gives us. But we need to be careful that we do not use too many of Earth's resources. We need to take care of Earth because it takes care of us! Colorful images, supporting text, a glossary, table of contents, and index all work together in this Spanish-translated book to help readers better understand the content and be fully engaged from cover to cover.
