To Save A Life: Dare To Make Your Life Count

Synopsis

Will you accept "the dare"? At some point, everyone has to decide: What's my life going to be about? Is it about partying? Or having fun? Or just surviving another day? Or is it about living a life of significance and making a real difference in your world? Based on the message of the powerful teen movie *To Save A Life*, this inspiring book will challenge you and show you:- How to develop friendships that really matter- The ripple effect your life can have on others- How real happiness comes from giving instead of receiving- Why you are unconditionally loved, totally accepted and completely forgiven- How God "fills the hole in your soul"- How you can touch the lives of other teens who are hurting and lonely Won't you come along on this great adventure of personal discovery? The experience could save your life...and the lives of others as well.

Customer Reviews

I only read a few of the chapters, but liked what I read. I bought it for my older teen and young adult grandchildren. I should have bought one for myself so I could discuss the chapters with them. Hopefully, it will inspire them and help them grow in their spiritual lives, making them more aware of

the consequences of their daily choices. I think it's well written so that it will keep them reading.

After watching the movie and reading this book my eyes were opened. I was never exposed to any of this but seeing and reading what actually goes on helped me in so many ways.

Great Buy! Inspirational!

This book is written to ensure that your life is worth living, it's a great book for that, but it's kinda boring.

As the title *To Save A Life: Dare To Make Your Life Count* suggests this book is radical. It challenges you to answer one of the most important questions you'll ever face: What is my life going to be about? Is it going to be about drinking or partying or smoking pot or just having fun? Or maybe, just surviving another day? Or is it going to be about living a life of significance and making a real difference in your world? The choice is yours. This book will help you answer the question by challenging you to develop friendships that really matter, to reach out and touch the lives of other teens who are hurting and lonely, and to see the ripple effect your life can have on others. There are so many critical issues facing today's youth - the cult of personality, teenage suicide, underage drinking, smoking pot, teen pregnancy, self-injury or cutting, etc., - that standing on the sidelines is NOT an option! We must walk beside today's youth, assist them in getting the help they need, and then point them to Jesus Christ - the only true answer to life's problems. The back of the book contains a list of resources that will help!
