Quran: English Translation. Clear, Pure, Easy To Read, In Modern English

Synopsis

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. Available in two editions. This edition (A) uses the word 'Allah' to refer to the Creator. Edition B uses the word 'God' CHAPTER 81. The Rolling. at-Takwir. In the name of Allah, the Gracious, the Merciful. 1. When the sun is rolled up. 2. When the stars are dimmed. 3. When the mountains are set in motion. 4. When the relationships are suspended. 5. When the beasts are gathered. 6. When the oceans are set aflame. 7. When the souls are paired. 8. When the girl, buried alive, is asked: 9. For what crime was she killed? 10. When the records are made public. 11. When the sky is peeled away. 12. When the Fire is set ablaze. 13. When Paradise is brought near. 14. Each soul will know what it has readied. 15. I swear by the galaxies. 16. Precisely running their courses. 17. And by the night as it recedes. 18. And by the morn as it breathes. 19. This is the speech of a noble messenger. 20. Endowed with power, eminent with the Lord of the Throne. 21. Obeyed and honest. 22. Your friend is not possessed. 23. He saw him on the luminous horizon. 24. And He does not withhold knowledge of the Unseen. 25. And it is not the word of an accursed devil. 26. So where are you heading? 27. It is only a Reminder to all mankind. 28. To whoever of you wills to go straight. 29. But you cannot will, unless Allah wills- The Lord of the Worlds. The Quran is the last Book from the Creator. This is an easy translation which makes it possible to understand the basis of Islam. I am using it for a study group at my church.

the book is translated in English. I have gotten page 8 when I have discovered the animosity towards the Jews. I intend to finish reading it, so I will know for myself what the Muslims believe and why.

Good translation

Not the best translation but if a free e-book version is what you're in the market for, this one should do the trick.

Read it because I was interested in knowing about one of the major religions and because it is often unjustly vilified. Christians should read it, and would find out it contains many of the same stories as the Bible.

A good easy to read English translation of the Quran. I like this author and appreciate his taking time to give a good version of this book to the English speaking and non-Muslim world. I am a Christian seeking knowledge and wisdom, and the Quran is essential reading for an understanding of the faith of Islam and how to better live together in harmony. Christians and Muslims can both better use the Holy Bible and the Holy Quran to bring peace, rather than destruction to mankind.

Very informative. The Quran is a lot more about peace than we in the west are led to believe.

I've referenced other translations and this one is straightforward english.
