## Customer Reviews

We bought this book for a friend who does a comedy act. This will fit right in. It's absolutely hilarious.

As expected

This was a unusual book I wouldn't read it to children but it would be humorous for older teenagers and adults to read

A literature's masterpiece. It is an excellent and funny gift.

Awesome! Fun to stir things up in this politically correct world!

A true masterpiece of literature. Enthralling and heartwarming. The beautiful illustrations of him handling his big black cock are truly something one HAS to see. This story makes me want a big black cock for my very own!

Not what I expected. Very funny. It had us cracking up. I really don't think it's a children's book tho
