The Voodoo Doll Spellbook: A Compendium Of Ancient And Contemporary Spells And Rituals

Synopsis

The Pin Is Mightier Than the Sword"Denise Alvarado is a true hoodoo mamba home girl who burned hi-octane conjure in New Orleans where she grew up, and on visits to relatives in the Mississippi bayous, where she was formally introduced to the Voodoo/hoodoo path. Called by the spirits and taught conjuration by family members, she was working the goofer from five years old. That's some serious heat. Denise is no pretender. She's for real. She fixes the formulas, raises the spirits, calculates the mathematics, and works wonders at the old dirt track crossroads." -Doktor Snake, author of Doktor Snake's Voodoo SpellbookWhen it comes to Voodoo, few things are more iconic than the Voodoo doll. Known also as conjure dolls, doll babies, dollies, baby dolls, puppets, fetich, fetish, and effigies, they are servants of fast-acting, long-lasting magic. If you are seeking a new job or new friends, need to find your one true love or keep your lover at home, wish to be rid of your enemies or protect yourself from thievery, in these pages you will find the doll and the spell to do just that and more.Drawing not only on New Orleans Voodoo and hoodoo traditions, Alvarado also presents doll spellwork from ancient Greece, Egypt, Malaysia, Japan, Africa, and the European grimoires of old magic. You'll learn how to make, use, and properly dispose of your Voodoo doll.Be warned: this is some of the most effective magic that exists so be ready to reap what you are about to sow, or in this case, sew!

There is so much info on spells and rituals in this book within its 21 chapters. As you may think in reading the front and back cover, This book may near being perfect. Very interesting and useful spells and information is in the book for all uses and purposes, it is something you will go back to for all of lifes problems and uncertainties.

Not only are the spells and dolls laid out in very simple to understand formats, its very factual and great explanations are given. I made my very first doll within a week of purchasing. I recommend all of her books but this one is especially helpful!

Loved it

A good variety of spellwork for use with voodoo dolls.

This book is great. It was recommended to me from another fan of Denis Alvarado, and all I gotta say is that lady does some real good work. Way to go, Denise!

This is a very good book! It was enlightening to me about another culture and it includes recipes for powders and oils which I have been wanting to make.

Awesome book, surpringly very detailed and a easy read.

Although this has a pretty steep price, especially for an e-book, don't hesitate! The author is obviously very well read on the subject of voodoo, and does an excellent job introducing the spells. Proper vocabulary is consistent to the spells, and is taken from international sources. Credit is given

to original authors, with plenty of information to have a complete and well rounded ritual. Not the best book for a beginner, but is still great for appreciating. My only issue with the book is the translation to electronic. The editing of pages is a little off, and the table of contents could have links to the articles (it is a rather long book) . Overall, I am extremely pleased with my purchase.
