Handwriting Improvement!: A Step By Step Guide To Improve Your Handwriting And Penmanship Instantly

Synopsis

Are You Ready To Vastly Improve Your Handwriting? If So You've Come To The Right Place!
Handwriting is a pillar of written communication. Carefully selected words, each written nicely can express the warmest gratitude or the excruciating pain of heartbreak. It can warn people about construction site hazards or point people to the right sections in groceries. Since civilization began, handwritten records in cave walls and scrolls told stories of the struggles and successes of pioneering cultures. Here's What You'll Learn In This Handwriting Improvement Book... An introduction To Handwriting The Importance Of High Quality Handwriting The Elements Of Good Handwriting Common Handwriting Problems Top Tips To Improve Your Handwriting Handwriting Tool Selection Practice Exercise To Perfect Your Handwriting And Much, Much, More!

Customer Reviews

This book is only 93 pages in length and addresses only printing, not cursive. I was hoping to improve my penmanship.

Handwriting Improvement is the only title to be written specifically for adults who are experiencing problems with their writing. This book uses self-diagnosis tests to help you identify your problem, before encouraging you to experiment and choose the style that suits you best. Covering everything from holding a pen. With constant practice, you will be armed with the ability to write with ease and confidence.

I've always known I had a bad penmanship. People have been complaining about it for years which is why I am forever grateful for email. I do want to make changes to my penmanship to make it more legible. This book called out to me and definitely helped me with my dilemma. The tips have helped and I've been practicing. I am not confident yet but I can definitely see that there are minor changes. I am looking forward to showing off my new and improved penmanship soon with the help of this book.

Straight forward and clear.

great stuff

This book has helped me improve my handwriting. The book gave me techniques to employ now it is up to me to practice.
