Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,973,208 in Books (See Top 100 in Books) #52 in [Books > Travel > United States > Florida > Tampa](#) #167 in [Books > Travel > United States > Florida > Orlando](#) #181 in [Books > Travel > United States > Florida > Miami](#)

## Customer Reviews

The Hidden guidebook series hot-peppers its pages with little arrows that point to a multitude of off-the-tourist-track sites.

Hidden Florida offers a better option. While it tells readers how to best enjoy the top spots in Miami, Orlando and the Keys, it also leads to lesser-visited locales that reveal the natural beauty and local character of the Sunshine State. Hundreds of beaches and parks are described.

I used this book for planning a quick trip to Everglades, Miami and Key Largo. I found it to have a good mix of history, attractions and restaurant reviews. We ate at several places recommended by the book. One thing that would make it much more useful would be to include a fold out map so that you can see more detail of a larger area. I found I had to keep flipping back and forth between maps in the book.
