Very easy to use. Brief paragraphs about different attractions with information on how to get there. Plus a nice map as an extra. Nice for a quick overview.

Extremely helpful on my travels!

Excellent guide

I love the Eyewitness travel books. I get one for every destination I go to. They include a little historical information as well as walking tours. I've done some of the walking tours and they were all good. Great pictures with descriptions of all the must see places. I wouldn't travel without the Eyewitness travel books.

Good book, the DK series are my favorite.
