Commitment: My Autobiography

Synopsis

The story of one of the most recognisable and successful players in world football. Didier Drogba is renowned for his heading ability, sharp shooting and sheer strength. He has played for his native Ivory Coast and for clubs in France, China and Turkey, but it is as a Chelsea striker that he is best known. His feats with Chelsea have made him a cult hero among supporters. In Didier Drogba's honest and revealing autobiography he will talk about life as an immigrant in Paris, the importance of his education and how finding success later than most professional footballers has kept him grounded. In 2012 Didier was voted Chelsea's greatest ever player. He talks from a privileged behind-the-scenes position about tactics and how he felt mentally and physically as well as anecdotes from the dressing room. Didier provides unique insight into important and controversial matches from the first trophy he won with them in 2005 to the Premier League title a decade later; as well as what persuaded him to stay when he was at his lowest ebb. Away from football Drogba has been widely applauded for his involvement in trying to broker peace in the Ivorian civil war - he is a UN Goodwill Ambassador and does a huge amount of work with the Didier Drogba Foundation - Time magazine named him one of the world's 100 most influential people. Go behind the scenes at Stamford Bridge and find out about life on and off the field for this humble Chelsea hero.

Customer Reviews

Didier Drogba played for English club Chelsea as a striker, and is the all-time top scorer and former captain of the Ivory Coast national team. He is best known for his career at Chelsea, for whom he has scored more goals than any other foreign player and is currently the club's fourth highest goal

scorer of all time. In October 2012, he was voted by Chelsea supporters as the club's greatest ever player. He has also been named African Footballer of the Year twice, winning the accolade in 2006 and 2009. After playing in youth teams, Drogba made his professional debut aged 18 for Ligue 2 club Le Mans, and signed his first professional contract aged 21. In the summer of 2004, Drogba moved to Chelsea for a club record £24 million fee, making him the most expensive Ivorian player in history. In his debut season he helped the club win their first league title in 50 years, and a year later he won another Premier League title. With a career record of scoring 10 goals in 10 finals winning 10 trophies at club level, Drogba has been referred to as the 'ultimate big game player'. An Ivory Coast international between 2002 and 2014, Drogba captained the national team from 2006 until his retirement and is the nation's all-time top goalscorer with 65 goals from 104 appearances. On 8 August 2014, he announced his retirement from international football.

Loved it....couldn't put it down. Loved hearing about the behind the scene stuff. "One Night in Munich" was the best chapter.

I liked how the content was organized and the content itself. The story of Didier is mesmerizing considering he was just a boy travelling via trains in France years ago. Got to know lots of things. I would recommend this book to all the Chelsea fans and football fans.

My 13 yr old son powered through this book from his favorite player and humanitarian, and thoroughly enjoyed it. It was a great birthday gift for him.

Reading this book makes me feel like I know him on a personal level. I enjoy this so much because, I play the game myself. Everything he said comes from the heart.

I really enjoyed the book - interesting that it wasn't all plain sailing for Drogba. Having lived in Africa for 24 years I really enjoyed the African references

Gives a deep insight to what it takes to be a successful football player and the importance of a strong and stable mentality.

Nice quality and the choice of shrift is really good to eye

Great book for a Chelsea Fan
