Crypto Trading 101: Getting Involved - How To Start Trading Cryptocurrency (Trading, Smart Investing, Altcoin, Cryptocurrency, Newbie Guide, Longterm Profit For Beginners)

Synopsis

NOTE: This book will NOT make you rich! Trading cryptocurrency is just like any other trading or investing opportunity. There are always risks involved. This book only acts as a gateway to the crypto world. It doesn't reveal any secret method or hidden technique that can make you rich. There are tons of things that you have to learn in order to become a professional trader and be able to make consistent profit from trading. If you want to buy something and get rich from it, buy a lottery ticket. If you truly want to learn and take crypto trading seriously, this book is a good start! Here's what you'll learn from this book:- The reason why trading cryptocurrencies is so profitable right now.- What you need to do to get involved in cryptocurrencies.- How to store and transfer Bitcoin.- Finding a trading exchange.- Protecting your funds.- Useful resources for traders. By the end of this book, you should be able to buy your first Bitcoin, set up and fund your exchange account to get ready to invest in any cryptocurrency you like. Welcome to the crypto world!!! Stories of people making millions trading and investing in cryptocurrencies have been heard all over the globe. Download this book and get started today! Let your story be heard too!

Trading #34 in Æ Æ Books > Business & Money > Investing > Online Trading

Customer Reviews

Great for understanding where to begin and offers good references that are listed in the book. It was informative and helpful.

Though this book is not for me as I have been around for a while, I believe a lot of people will find it useful, especially those who first hear of cryptocurrency or Bitcoin and want to take action. This book should be a great start for you if you are a complete beginner, definitely recommend!!!

The book is not bad. Highly recommend it for anyone who is interested in this topic!
