# Deep Calling Unto Deep: The Dynamics Of Prayer In The Perspective Of Chassidism (Mystical Dimension)

## Synopsis

Jewish mysticism has long fascinated and intrigued scholars and truth-seekers of every kind. Kabbalah, the esoteric wisdom of Judaism, and chasidism, its more accessible modern counterpart, have been the subject of endless study and research. An authentic and scholarly English text that draws upon the full spectrum of traditional Jewish sources is a most valuable addition to this study. In this three-volume series, Rabbi Schochet, presents a sweeping survey of the major themes and concepts found in kabbalah and chasidism, and show how the exoteric and esoteric aspects of Torah complement each other in a manner analogous to body and soul of one entity. Volume Two: Deep calling Unto Deep - Jewish mysticism, particularly chasidism, offers unique insights into the dynamics of both tefilah, prayer, and teshuvah, repentance. This volume helps to make the practice of these two fundamental principles of Judaism a more consciously vital experience, exploring the spiritual dimensions of each of them.

## Book Information

Series: Mystical Dimension (Book 2)

Hardcover: 148 pages

Publisher: Merkos Linyonei Chinuch; 2 edition (December 1, 1990)

Language: English

ISBN-10: 082660529X

ISBN-13: 978-0826605290

Product Dimensions: 9.4 x 6.2 x 0.7 inches

Shipping Weight: 15.2 ounces

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

## Customer Reviews

Very good explanation of Chassidic prayer!!!

Ggggggreat

WOW! There are many volumes written about prayer and repentance. Mostly they are archaic, dry,

technical. Very few are inspiring, motivating the reader to actually try out what is suggested. What an extraordinary exception to the rule with Prof. Schochet's "Deep Calling Unto Deep." It makes these themes come alive. There is no preaching, no brow-beating. It explains, it elucidates. It is not simplistic religious dogmatism. The author raises profound philosophical questions, critically examines all premises and analyzes them in terms attractive and attracting to scholar and layman alike. Questions like "why pray"? Doesn't God know what you need? Are you not interfering with Divine Providence by asking for changes in its plans? How can God change His mind according to your wishes? How can repentance wipe out the past? How and when would you know that there was true repentance? How can prayer and repentance work without violating theological premises? And so forth. Mixing philosophy, theology, mysticism and Hassidic teachings, Schochet explains, illuminates, resolves, without ever being dogmatic or judgmental. Above all it is so inspiring it turns your soul on fire and makes you appreciate these complex concepts. Extensive references, indices and bibliographies, make this a true treasure and reference-book, to which you will continue to come back to. I don't believe that it has its equal among all the many books I read on these subjects. Four thumbs up!
