Customer Reviews

Great book at a good price.

Great book

Do NOT buy. The KINDLE version is described as "The 5-Minute Clinical Consult 2018, 26th Edition includes a Free Trial to 5MinuteConsult.com." But there is NO access code included and when you contact they will claim no responsibility for what they sell and just basically tell you to contact the publisher. Well good luck with that! I tried and got nowhere! Wish I could give service negative stars for this!

Easy to use reference!

The book contains a lot of concise information but is hardly helpful in case you are not already familiar with the subjects.
