Nice calendar although I was a little disappointed in the photos themselves. There were photos of Kansas City landmarks (as expected) but the photography was of un-impressive parts of the landmarks. For instance, Kauffman Memorial Garden has a BEAUTIFUL garden but they used a photo of the entrance?? to the garden. The KC Public Library has HUGE bookends that are very recognizable but the photo doesn't show the bookends at all...a completely different (boring) angle of the library. Just my opinion, but like I said, the calendar serves it's purpose. Maybe I just need to move to a more exciting city. :-/

Very nice to give as a gift for people outside of Kansas City!
