Customer Reviews

I bought this and the RoughGuide to Egypt. Both great books for our trip (just returned 11 Feb 2017). We left the Rough Guide at the hotel but took the Top 10 guide with us. great quick FYI's and pics. We chose not to hire a guide or take a tour. This book assisted us.

This is the fourth tour book I have read on Egypt and by far the best. I highly recommend reading this before other Egyptian tour books. The recommendations made throughout the guide should be noted and highly considered.

Not the greatest but gives you ideas. Interesting a few things in some top 10 list are 'skip it' in Lonely Planet!

These are my favorite travel books. I wish the map included Giza too, though

Awesome lists, well-designed book, helpful maps!

Very helpful for my upcoming visit to Cairo! Cannot wait!

I have a lot of Eyewitness travel guides but this was my first "Top 10" book. I definitely prefer other Eyewitness travel guides since I found these "Top 10" guides lack a lot of important information. I still recommend it for those who will travel just a few days to Cairo

Eyewitness travel guides are very good for succinct reviews. Always travel with one.
