Synopsis

Sweet romance meets spine-tingling suspense in this next book in the Hawaii Billionaire Series by bestselling authors Jennifer Youngblood & Sandra Poole. When his sister goes missing in Hawaii, TV Reality Star Trevor Spencer hops a plane and goes to find her. A chance meeting with Kat, a glamorous and smart single mother, ignites a spark that kindles into a whirlwind romance. But things are not as idyllic as the picturesque island around them, for Kat is harboring secrets that could not only hinder Trevor's investigation into his sister's disappearance, but also destroy any chance of a lasting relationship between her and Trevor. As Trevor delves deeper into his investigation, he wonders whom to trust, as the stakes get dangerously high. When events build to a frenzied climax, Trevor fears he'll lose everything he holds dear—his sister and the love of a lifetime. Customer Reviews

Reality TV star Trevor Spencer has come to Hawaii in search of his wayward sister. He's not planning to stay long and he'd definitely not planning on falling in love. But when he meets the beautiful Kat, all his well laid plans go out the window. The chemistry between Trevor and Kat is fun and believable and the author's descriptions of Hawaii made me want to hop on a plane right now! This is a fun, fast paced book with plenty of sweet romance.

I love how Trevor isn't looking for love and Kat is protective of her daughter. I love the way the characters fall in love fast...and then slow. The mystery held my attention and I wasn't disappointed with the steamy kisses! Don't miss this one!

I enjoyed the book but it wasn't as good as the first two in the series. The writing was a little stilted. The characters were OK but I didn't love them as I have the characters in the other books. It was an OK read but not outstanding.

I loved this story. The Hawaiian setting was awesome, the characters were fun, and the romance was great. Another great book in the Billionaire series.

This was a fun read. I'm sure I will follow up with the next book.

This book really held my interest and made me want to read more books by Jennifer Youngblood.

very good read

Sorry. A for effort. Worked when the author was describing setting. But the characters were superficially written and agonizingly paced. Also prudish. Not a good look.
