My Dog, My Guru: A Dog's Principles For A Happier Life

Synopsis

If you've ever had a pet, you would have, at least once, come back home after having a bad day and said to it, "I wish I was like you. You're always so happy!" The author, a successful marketing manager in a high-powered job, had never been interested in animals and was against the idea of getting a dog for his daughters. However, when Skottf, a cute springer spaniel, joined the family, Gilles Moutounet was surprised to find how much his life was transformed for the better from their new companion. In this book, the author shares the wise lessons about life he learned from observing Skottf, which include: Trusting Life/ the Universe to supply our needs Living in the now Expressing gratitude for what we have today Taking time to enjoy nature Being patient with the processes of life Written in a down-to-earth manner, and full of humour and quotes from authors such as Eckhart Tolle and Paulo Coelho, this is an uplifting book that will bring warmth and joy to the hearts of its readers.

Customer Reviews

As an animal lover I of course love dogs, this book was informative about dogs and their company. Written and illustrated with a cute dog, looking like "i know it all", I especially loved that part.

I am a dog lover. Mine was sleeping next to me as I read.... There are so many great observations in this book & I feel inspired!
