This was a gift for my 2 yr old grandson, and his 4 yr old sister loves it just as much. It was purchased along with The Learning Journey Learn with Me, Count & Learn Cookie Jar. They were

perfect together.

My four year old grandson loves this book! It's fun in a sing-song way and so easy to memorize and anticipate. I'd buy over and over again. It's simple with very cute art. We love to use our imagination and continue with other people and animals.

I didn't even KNOW the pages slide up to reveal a character! Pleasantly surprised! Good quality. Came asap!

Loved the ditty as a kid, thought the book would be fun. It isn't. Each page should have had the cookie or crumbs hidden somewhere so I could teach my grandchild how the cookie's went missing. Could have been so much better!

easy for child to remember and re-tell it on their own so cute!

This is great fun to read to grandkids.... Book worth the price for sure! Really like the shape of the book too. :)

Great game for your children. Grandson is 3 years of age and 21 months. They love this game!!

Cute and cleverly done. Didn't realize you have to lift the tops to read all of the book.
