Veteran coast-cruiser Joe Upton is the author of the award-winning *Alaska Blues* and *Journeys Through the Inside Passage*.

Nothing enhances the experience of traveling like a bit of knowledge about one's new surroundings. As a passenger on a cruise ship viewing the Inside Passage to Alaska for the first time, and transiting so quickly through this spectacular country, Joe Upton's facts, stories and personal experiences bring this country to life! Joe brings both his knowledge of the country's history as well as his personal experience as an Alaska commercial fisherman gathered during numerous passages on these waters, as well as long hours hunkered down in remote coves waiting out bad weather while swapping tales with fisherman and loggers. An entertaining read as well as a valuable on board mile by mile travel guide.

This book has lots of information and it is great if you want to learn a lot about the Alaska coast. It is has too much detail to be of use while you are cruising on a cruise ship along the Alaska coast.
