Faerie Houses 2016 Wall Calendar

Synopsis

The Faerie Houses wall calendar reveals a magical world of handcrafted fairy castles and cottages, fanciful fairy retreats and sanctuaries, and habitable hobbit hideaways. Celebrated environmental artist Sally J. Smith builds these exquisite creations from materials found in the wild. Each house begins as a collection of bark, twigs, mosses, and stones and is finished with touches of fragile blossoms, ferns, and butterfly wings to add to their ethereal beauty. When complete, the houses are placed in a natural setting so perfectly suited that they seem surely to have been crafted by fairy hands. A year of fantastic fairy houses on your wall. Frameable artbook-quality printing. The perfect gift for the fantasy and nature lover. Exceptional photographs of magical fairy houses in forests and fields. Printed on FSC Certified Mixed Source Paper with soy-based inks. Published by Amber Lotus, an independent carbon-negative US company that has planted more than half a million trees since 2008. This calendar features US and Canadian legal holidays, phases of the moon, and important observances of the world's major religions. Children and adults alike will find inspiration and delight in this creative expression of land art.

Sally J. Smith was a professional watercolor artist and children's book illustrator for more than 20 years before turning her talents to environmental sculptures. Her faerie houses and Earththerials echo the beauty of a special place or moment in time. Smith creates a visual record of a piece at its completion, and whenever possible, after the sculpture is photographed, it is left where it was

made for the nature spirits to enjoy. She lives in the Adirondacks, where resources for her magical creations abound.

Delightful photos of fairy houses! All holidays marked and moon phases marked. Plenty of space for writing your daily reminders.

So thrilled it met my expectations. I won't go into all the details about how long it took me to get my calendar, and I was afraid when I finally got it that it would disappoint me. But it didn't! The photos are gorgeous, and the whimsy-loving, enchanting-seeking me fell in love instantly with each and every faerie house. I will probably keep this calendar forever because the photos take my breath away and inspire my imagination--totally fanciful and awe-inspiring! I can see wanting to recreate these images and others in my arty attempts--whether in the garden, or in my mosaic creations or in watercolor--you name it. Sheer delight and rainbow-bubble bliss!

I discovered this calendar last year at my favorite, independent bookstore. The artistry and photography bring tiny worlds to life. I've never had so many complements on a calendar. Everyone who saw it took down the calendar and looked at all of the pictures. I had to purchase several for gifts this year. It was a no-brainer.

I have wrote a review before, but worth writing again, very lovely calendar and when you know how much she put into making these little fairy houses well worth the price

This calendar is just so cute. Any holiday I could/couldn't think of is listed. The date spaces are plenty big enough to write appointments, etc...I'd buy it again.

Love this calendar & purchase it every year. The fairy houses are so cute & creatively done. I want to live in them.Sally J. Smith is so artistic & cleaver. Keep them coming!!!

I love these calendars I buy one every year!

These calendars are always among my favorites! Photography is beautiful, paper stock is good quality, daily shares are large enough to put small notations in.
