Customer Reviews

This rugged covers is ideal for young explorers ages 8-12. The rubber Adventure Bible logo, durable nylon construction, and multiple pockets will encourage kids to take their NIV Adventure Bible with them wherever they go.

Very satisfied with this bible cover. Durable and is easy to clean off. Like the storage pockets and my 7 year-old grandson's Adventure Bible purchased for school fits perfectly. Not worried about him destroying this as young children really do not worry about handling things carefully. Protects the bible and that was the whole purpose of the purchase!

I love this ! It's great for bible bucks and other things to be stored in the front pockets and the bible is always protected. It's washable too

It's a cute cover with a nice handle. I gave it two stars because the front or back covers of the Adventure Bible I bought for it constantly slide out. The pockets to put the Bible covers in need to be about an inch bigger. I've had it for two months (past the return window) and one front pocket is ripped. It's a great idea, but a bit lacking.

This book cover fits numerous bibles. My son prefers a NIV student bible which is much larger than his previous adventure bible. Though it is a tight fit, it is able to be zipped in this cover. I like the zipping cover quality and he is able to store a small notebook and a pen in the front pockets. The all-in-one feel this cover has is great for students in bible study groups - my son enjoys being able to just grab the case and knowing 1) nothing will fall out and 2) everything he needs is still there.

perfect fit for the bible I purchased for a child. Nice quality and has a storage spot for a pencil as well as a front pocket.

My son loves this Bible cover. The side pockets make it so much easier for Him to bring his small notepad and crayons.

The Little Boy I Got It For Really Like It. He Love Be Able To Carry His Bible In A Case Like His Mother. He Enjoy Church More Now. I Also Got Him A Children's KJV Bible To Go Along With It.

This is a great bible cover - it has lots of pockets and places to put extra notebooks or paper for note-taking during classes. My kids use their bibles at Sunday School and at camp, so it is nice for them to be able to have somewhere to place the paper for their notes - and somewhere to put all of the paper they get to bring home. There are also a couple of slots to hold pencils/pens so that everything you need is right at hand. Perfect!The reason this was given 4 stars instead of 5 is that the bible tends to slip out of the inside pockets during use, leaving it unprotected as the kids are not likely to put it back in while using it. They just close the cover back, leaving it out of the pockets on the inside (so it is closed in the cover, but not encased on the inside). They are using the Adventure Bible's this cover was made for, so it seems the cover is a bit oversized or not-quite-the-right-design for the bible. However, we love the other features enough to overlook this one!
