The New York Times Sunday Crossword Puzzles Volume 40: 50 Sunday Puzzles From The Pages Of The New York Times

Synopsis

The first, and still the best! The New York Times Sunday crossword debuted in 1942, and ever since has remained the nation's favorite puzzle. With giant-size grids, inventive themes and clever construction, the Sunday Times crossword is more popular than ever before under legendary editor Will Shortz! This fortieth collection of the Sunday puzzles features:

- * Fifty New York Times Sunday crossword puzzles edited by Will Shortz
- * Puzzles over 50% bigger than the weekday crosswords

Covered spiral binding for easy stay-flat solving.

Customer Reviews

• [Will Shortz] is the crossword king. • Steve Kroft, 60 Minutes • The prince of crossword puzzlers. • Greenwich Magazine • The Riddler's got nothing on Will Shortz. • Time Out New York • Will Shortz is [the crossword book world's] John Grisham. • Martin Arnold

WILL SHORTZ has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR's Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament. He has edited countless books of crossword puzzles, Sudoku, KenKen, and all manner of brain-busters.

Why oh why don't I believe previous reviewers! The pages are the same size, but the print is MUCH smaller. There is plenty of room on the page to take the font size up a couple of points, like it used to be in the old days. Both the puzzle itself and the clues are very noticeably smaller than in the old days. Break out your fine point pens for this one. Same puzzles, but I won't be buying any more of

these books.

No one comes close to the Sunday New York Times in consistently producing challenging and interesting crosswords. However, the type for the clues is too small for many people to read easily-- there must be some way to increase the size, if only by a small amount. If that day ever comes, I will rate these collections 5 stars!

Good puzzles, but the clues are printed in such small print that it's a strain to solve them

Arrived on time and as described. Is the printing small? Yes, but no smaller than the typeface in many paperback books. I've completed a puzzle a day -- challenging clues, but able to work out every answer. Enjoy!

NYT Sunday crossword puzzles always are a challenge ... been doing them for years. Although I've not managed to finish very many of them without help, I keep trying. I think it's an addiction!

The puzzles are as good as always, but the clues are just too small. With a little creative layout, they could be readable without changing the page size.

Great puzzles. Lots of fun. I find crossword puzzles fun to do but what I love about the NYT puzzles is that I always learn things I didn't know.

What has happened to the crossword puzzle books for us aficionados? This new one has tiny light type, only 50 puzzles (not 100), poorer paper quality. Yes, it does say "50" on the cover, which I missed when I ordered -- I was so excited to see a new collection out I didn't pay close attention! If it's a matter of production cost, go back to better quality and charge a little more. The old ones were better (like most things -- alas , , ,)
