Customer Reviews

Very convenient study tool for those who are preparing for the real estate licensing exam. I recommend it for exam preparation!

These really helped me pass the National section of the Oregon Real Estate license. They are durable, organized, and have a handy key ring for taking them along - very portable. Easy to carry around and pull them out for quick study when standing in lines, having coffee, waiting in the dentist office... but remember: There are no math problems or formulas. These do not cover state specific sections. Highly recommended!

Using to study for exam. Great tool.

Nice quality. Very helpful.

I did pass my exam but i wouldnt say it had much to do with these cards. They are not what i expected.

Love the card great for study

These really helped me study for and pass my exams. I don't think I could have passed without them.

Awesome
