The Bargain (Medieval Warriors Book 1)

Synopsis

Saxon beauty Aleysia Cawdor is willing to do anything to protect her dear twin brother during a conquest that could strip her of her everything. Her last resort is to enter into a sensual bargain with her worst enemy, and submit to his brutish ways. Love-starved Norman knight Renaud de Wulf is eager to again feel the touch of flesh. He's going to take what's coming to him-the vulnerable woman who's been waiting to fulfill her obligation in the most intimate way imaginable. Body and soul. Never would de Wulf guess the true motives for Aleysia's submission-or where their heated nights would take them. The MEDIEVAL WARRIORS series is the story of twins Adelstan and Aleysia Cawdor, Saxon royalty whose lives are forever changed during and after the Norman Conquest of England. *****PLEASE NOTE: THE BARGAIN IS A STEAMY ROMANCE WITH FREQUENT SEX SCENES*****

Customer Reviews

It is not your typical romance as some had said it had a lot of sex scenes but it was a good book.

Shorter than I thought but still long that it is not a novella. I do recommend this book as it is the first

that I have read from this author.

I know the reviews were all over the place for this book but I really enjoyed it. Love the story and the characters. I'm not historian so I can't say whether things, language, or building structures, were factual like some people do in reviewing "period" type books - I just know I enjoyed it.

I started out not liking the storyline or characters but grew to like them as I continued to read. There were plenty of romance scenes. I would recommend reading more books by this author.

What a great bargain. The storyline was written with such great detail and passion. The events were very believable and the spunky characters were brought to life within the pages.

Mmmmmmm ! What more is there to say. Well written. Everyone should read this book. Deliciously erotic with a great story. I know of only two other authors who share the ability to bring a love scene to life making the reader wish it was them.

Renaud and Aleysia are sworn enemies but love and lust have other plans for the Norman Warlord and his English captive! Steamy love scenes make this an incredible adult only good read.

Brilliant! Everything from J.A. Is fantastic!

Enjoyable if you like the genre.
