Customer Reviews

This 2012 box calendar provides a different Black first for each week day and combined Saturday/Sunday. I use for my young folks as quick facts and then quiz them at the end of the month. It's a great way to keep the history alive. The text is very readable and the facts are mostly correct.

Would recommend this calendar to anyone who has a thirst to know the benchmark that people of color had, have and are still moving forward to encourage others to persevere and chase destiny and extend a legacy of faith, family and honor for years to come.

This calendar is one of the best things out showing what black people had accomplish first great to have in your library.
