Customer Reviews

Wonderful price guide! I am so happy this book is in production, great info on the '46 and '47 glasses. Overall wonderful pictures, great info and history of the Kentucky derby glasses. If you are a glass collector or want to know more history behind derby glasses this is a MUST HAVE.

The guide is very useful. The pictures show you what the differences are among the glasses.

Good guide for collectors!

This is an excellent book, at a great price considering the other Derby Glass books are 10X the price

Concise, well illustrated edition. Lacks Preakness, Belmont and BC- if you need them- you must look elsewhere.

Nice basic book

Great photos especially of the very early glasses. Shows both sides of the ones you never see. Full size pictures of the glasses. Great information. Realistic pricing! Wish all collector books had this realistic pricing for today's market.
