Framing Roofs: The Best Of Fine Homebuilding

Synopsis

The For Pros By Pros titles are compilations of articles from Fine Homebuilding magazine, selected by the editors of the magazine and organized by subject. New articles from recent issues of the magazine have been added to this edition of Framing Roofs. Updated and redesigned throughout, this book gives builders the very best and current information.

Customer Reviews

Fine Homebuilding has been providing information and inspiration to everyone who cares about quality home improvement, renovation, and construction since 1981.

A great reference. There are more comprehensive publications, but not in Kindle format.

Seems like a great book but only the wording can be controlled. The pictures are too small to read and you can not make them larger.
