Customer Reviews

I simply adore this series. Looking at the rapture from a teen's perspective is very refreshing. I love that they speak frankly about real issues too. I highly recommend this and if the Lord tarries in His coming will give it to my kids to read

;)

Very good series. Saw it at a mom and pop bookstore. I plan on reading all the books. Very powerful

Would recommend this book for adults as well as young people especially if your looking for answers in the Bible and what the Bible has to say about end times.
